## Sport in Schools Australia

19 March, 2019

Dear Parents/Carers,

This year our school will again participate in the "Sport in Schools" program for all students K-6. The staff and students were impressed with the equipment, activities and coaches, and we have decided to implement this program as part of our Personal Development/Health/Physical Education program for Term Two this year.

With an aim of developing lifelong positive attitudes towards physical activity, this year we are participating in a program which focuses PE health and major sports' development. Sport in Schools also provide a full wet weather service, so lessons will not have to be cancelled if it rains.

The program is for all students Kindergarten to Year 6 and everyone is expected to participate. It operates over 10 sessions (each Tuesday) during the term at a cost of \$45.00 per student. This year the program begins on Tuesday 30<sup>th</sup> April. Please complete the permission note below and return with payment of \$45.00 per student to the front office. Payments by cash or cheque are accepted Monday – Thursday, and EFTPOS, Credit Card or Online payments can be made any day.

**Please note: - Sport in Schools provides a family sponsorship discount scheme where the 1<sup>st</sup> and 2<sup>nd</sup> child in a family pay the full fee (ie. \$45.00). Any 3<sup>rd</sup> child in a family receives a 50% discount (ie. they pay \$22.50) and any further siblings (e.g. any 4<sup>th</sup> or 5<sup>th</sup> child in a family) will participate free of charge).**

***If you have any concerns please contact the office.***

**Payment should be made before Thursday 23<sup>th</sup> May, 2019.**
