Dear parents/carers,

Our school is an exciting and very busy place to be. There is always so much happening both inside and outside the classroom. With this in mind, we aim to keep you as informed and up to date as we can through various means which are outlined below.

School App: The **SchoolStream** school app for your Smartphone can be downloaded for free via your Apple or Android smartphone. We send out key reminders and announcements via our app.

School Website: You can find our website <http://www.homebushpublicschool.com.au/>. On our website you can access notes that have been sent home, school news, photo galleries and general information.

Facebook: Our school Facebook page is used to celebrate student achievement and showcase many of the exciting things taking place at Homebush Public School. You can locate our page at <https://www.facebook.com/HomebushPS> from Wednesday, 19 September, 2018. Attached to this note is the 'Rules of Engagement' for our school's Facebook page, which guide users on the appropriate use and access of the page. These can also be found in the 'about' section of the Facebook page. Do not forget to like and follow our page to show your support for the school!

If at any time you require clarification or further information, we encourage you to contact the school office on 9746 9171 between 8:30am – 3:00pm.
